

# **2026 GEORGE FLETCHER MEMORIAL TOURNAMENT**

**Hello hockey parents and coaches, my name is Ken Chetwynd, and I would like to offer professional action photography for this exciting inaugural hockey tournament!**

**I have been photographing sports, hockey in particular, for 15 years, and much of my work can be viewed at my websites, [www.kenslens.ca](http://www.kenslens.ca) and [www.hockeyshooter.com](http://www.hockeyshooter.com).**

**A great sample of recent work can be found at [www.kenslens.ca/u13aaashelburne](http://www.kenslens.ca/u13aaashelburne), where early this season I covered the opening tournament for a number of U13AAA teams.**

**I am the official team/game photographer for the Yarmouth Jr. A Mariners, and the Jr C Southwest Storm.**

**Here's how I typically cover a tournament:**

**I like to keep things very simple. I show up at the games I'm covering, shoot all the action, and move on to the next game. I typically shoot 1000+ images per game, from which I select the 150-200 best. At the end of each day, I upload everything to my computer, and after the completion of the tournament I sort, edit, and upload each game's photos to a password-protected gallery.**

**Parents, players, and coaches are then given the password for their team, and can view and download as many photos from each game as they like, in high resolution. Post them, share them, print them, whatever - you OWN them once you download them. And other family members are welcome to view and download them as well.**

**The schedule, as you know, is very full, but with everything happening at one venue, the beautiful Queens Place Emera Centre, I will be available to cover games without missing anyone. My fee for covering a single game is normally \$200, but for this tournament I am offering to photograph 2 of your team's games for \$250. Additionally, should your team make the finals, or in the case of U18 the semi-finals and finals, I will be available to photograph those for just an added \$50.**

**That \$250, for most teams, probably equates to just over \$13 per player - 1 or 2 trips to the canteen!**

**So, if you decide to participate in this offer, I would love to know as early as possible in order to work out my shooting schedule. To sign up please contact me at [kenchetwynd@hotmail.com](mailto:kenchetwynd@hotmail.com) and I will add your team to my list!**

**Thank you - see you at the rink!**
